Agendas and Declaration Form

Post contesting for: PG Senator

Name: Etisha Garg

Nick Name.: Etisha

Tagline (Punch line): It's time.

Agendas:

1. Single Seater for PG girls(1st year)

Domain- Accommodation

Proposal - There should be single seater rooms available for Post Graduation girls from the first year itself. The burden of studies is more in PG Courses and they require their own space from the very beginning of the course.

Possible Solution- There should be a new hostel for girls, since there are many hostel for boys and there are only two for girls.

Plan of action- Construction should get started as soon as possible, so that the students coming next year won't have to face the same issues.

2. Fogging Tender-

Domain- Cleanliness

Proposal- There should be a proper schedule for fogging in the campus specially during summers.

Possible Solution- Since we stay in a campus which is full of greenery and water bodies, so after every 15 days fogging should be done and there should be a notice regarding the same on the webmail so that there is no havoc regarding the same.

Plan of action- The concerned authority will keep a record of the fogging and that schedule should be forwarded to students, so that they can raise a voice whenever it is not done.

3. Coffee machine in every department

Domain- Eateries

Proposal- Students who work in the departmental library and labs late night need something for refreshment and the departmental coffee shops closes by 8 pm, so there is an urgent need to install coffee machines specially.

Possible Solution- Coffee machines should be installed in every department so as students as well as the teachers can help themselves as and when required.

Plan Of action- We can first implement this in those departments where the students are mostly found at late hours and if successful, can implement in all departments.

4. **. Wifi accessibility in the Hostels- Hostel**

Proposal- Many students don't have laptops and have to go to the CC/departmental labs in order to get their work done. Wi-fi is accessible only in limited area of the hostels(Dhansiri). So there must be wifi accessibility everywhere.

Possible Solution- Routers should be installed in every corner of the hostels, so that students can access the wifi on their mobile phones.

Plan Of Action- Can cover those areas first which is most used by the students and then spread it to other areas as well.

Experiences (Credentials if any):

I have served as a General Secretary of Mathematics Department, Kirori Mal College, University Of Delhi for one year. I have resolved various issues of the students while being on this post and have an experience as to how to bring changes in the existing system.

Declaration by the candidate:

I hereby declare that the above information is to the best of my knowledge. I do not have any disciplinary probation by the Institute and will abide by the rules and regulations laid for Gymkhana Election. I do not have any active backlogs to be cleared.

I know that any false information in this nomination form will lead to cancellation of my nomination and disciplinary action.
