Agendas and Declaration Form

Post contesting for: PG Senator

Name: Vivek Singh Chouhan

Nick Name.:

Tagline (Punch line): Together we'll make a difference.

Agendas:

➤ **Summer internship for PG Students:**

As we have already done our course work before summer we must get the industrial exposure. People say we need to go for research. But I say without knowing, what's the need of the Industry. How we can proceed for research? So we all should get an equal opportunities to perform well in future and our knowledge should not be limited to books.

I, as a PG Senate will propose for 2 months internship for PG students in companies to the SAB.

➤ **No mandatory marking of attendance during exam time:**

As an M.Tech student I have seen that most of the time due to exam pressure we usually forget to mark the attendance in exam time which lead to deduction in our MHRD scholarship of that day. Hence as a face of PG student I will try to get us relaxation in attendance marking during that span of time.

➤ **Free beverages in the breakfast:**

Breakfast is the most important meal of the day. It must be rich of proteins and antioxidants for good health and concentration in class. Hence the one of the TEA or COFFEE and EGG must be free of cost to all students.

As we have the right to make the policy we can add this point in mess tenure before handing it over to the owner.

➤ **Increase in sports items in hostels.**

I have seen that even in the bigger hostels like Lohit, Brahmaputra, Barak etc., the sports items are very limited in number, so I propose to increase the sports items in hostels with the coordination of sport secretaries so that no student will be left out from the sports.
