# STUDENTS' GYMKHANA ELECTIONS Year 2019-20

Indian Institute of Technology, Guwahati

File Ref: IITG/SAC/GYM19/Elections/Agenda/

## Agendas and Declaration Form

Post contesting for: GIRLS SENATOR

Name: SIMRAN LOKWANI

Nick Name.: SIMRAN

Tagline (Punch line): Redefining the possibilities.

### **Agendas:**

1. Spreading Coding Culture among girls: A coding community will be formed where proper mentoring will be done to benefit girls. They can get help from the mentors of the community which will involve Open source contribution through github.
2. A social media platform for 1st, 2nd, 3rd year girls to list out the internship opportunities that are exclusively for girls. This will be especially beneficial for freshers as they will be aware of these exams beforehand and hence they can prepare accordingly.  
(ex: companies like fidelity and microsoft came for 2nd yearites internship this year)
3. Conducting alumni webinars in various fields like ML, AI, Entrepreneurship, Finance, Consulting, Coding, etc. for the campus students.
4. Assigning mentors to the students in such a way that the proficiency of mentors are very well visible to the students and the students can choose the mentors according to their interests.
5. To increase girls' participation in youth exchange programmes.
6. Creating awareness and promoting different national and international level events to increase the girls' participation in them.
7. Internship portal for students.
8. Weekly fogging or spraying of mosquito repellants in washrooms of hostel, library, cores, etc.

Extra sheets may be attached if needed.

9. Hot Water bags will be provided for girls which will be helpful during menstruation.
10. Monthly feedback of canteen and juice center will also be taken along with mess feedbacks.

**Agenda 1:** Spreading Coding Culture among girls: A coding community will be formed. Open source contribution will be done through github through the repositories.

Domain: Collaboration with Technical Board

Proposal: To develop coding culture and to help girls with all the problems they face while their preparations.

Possible solution: A community of girls who are interested in coding will help each other. Mentors will also be assigned to help them.

Plan of action: Students who want to learn coding will be asked to fill a doc and then mentors will be assigned to them. A group of girls will be formed for the discussions. These discussions will be helpful to clear doubts and how to prepare for various exams and to build projects.

**Agenda 2:** A social media platform for 1st, 2nd, 3rd year girls to list out the internship opportunities that are exclusively for girls.

Domain: Collaboration with Technical Board

Proposal: Many intern opportunities are exclusively there for girls so this proposal will be helpful for them to prepare.

Possible solution: A social media platform will be created in such a way that information about the interns will be provided.

Plan of action: A platform will be created to list out the internship opportunities that are exclusively for girls. With the help of 3<sup>rd</sup> and 4<sup>th</sup> year girls the fresher's

would be informed about the opportunities that came before and also the current ones. Students also miss the deadline of filling the internship forms and sometimes aren't prepared for it. This is going to help them to be aware of these opportunities beforehand so that they can prepare for it.

**Agenda 3:** Conducting alumni webinars in various fields like ML, AI, Entrepreneurship, Finance, Consulting, and Coding etc. for the campus students.

Domain: Collaboration with Technical Board

Proposal: Alumni webinars for the students will be a great way for sharing the experiences of the alumni's as it is not possible always for them to visit the campus.

Possible solution: Conducting alumni webinars.

Plan of action: Network would be created with the alumni's and they would be asked to share their experiences and how did they prepare themselves.

**Agenda 4:** Assigning mentors to the students in such a way that the proficiency of mentors are very well visible to the students and the students can choose the mentors according to their interests.

Domain: Collaboration with welfare board.

Proposal: Mentors will be assigned to the students to help them emotionally and academically. They will be able to share all the problems that they face with them which they cannot discuss with anyone else.

Possible solution: Assignment of mentors to the students for their knowledge and benefit.

Plan of action: A document will be floated in which the mentors will write their proficiencies. A list of this will be formed and will be made visible to the students and then they can choose them according to their interests and the mentors will be allotted on first come first serve basis.

**Agenda 5:** Increasing girls' participation in youth exchange programmes. Also, creating awareness and promoting different national and international level events to increase the girls' participation in them.

Domain: Collaboration with technical board, cultural board and sports board.

Proposal: Participation of girls is very less in many events because of lack of awareness and opportunities, so this proposal will help them to participate in the various events according to their interests.

Possible solution: Girls will also be promoted to take part in the various competitions and events.

Plan of action: A platform will be created where the information of all the events will be shown to make them aware of these. Girls will also be promoted and motivated to take part as this will help in their overall development. This will help to increase the participation of girls in youth exchange programmes and many other events.

**Agenda 6:** Weekly fogging or spraying of mosquito repellants in washrooms.

Domain: Collaboration with maintenance section.

Proposal: There are a lot of mosquitoes in the washroom which is absolutely unhygienic. Hence, weekly fogging will be done to tackle this issue.

Plan of action: This proposal will be forwarded to the maintenance section and they will act accordingly.

**Agenda 7:** Hot Water bags will be provided for girls that will be helpful during menstruation.

Domain: Collaboration with Hostel affairs board.

Proposal: Girls do not have these bags when they urgently need them and these are not available nearby, so this can serve as an extra facility to the girls.

Possible solution: Hot water bags will be provided security desks of the hostels.

Plan of action: Hot water bags will be made available at the hostel security desks and girls can issue them through their ID cards and return them after use.

**Agenda 8:** Monthly feedback of canteen and juice center will also be taken along with mess feedbacks.

Domain: Collaboration with hostel affairs board

Proposal: Food services get deteriorated in juice center and canteen as well so feedbacks are very important to know the current situation.

Possible solution: Feedbacks will be taken through outlook mails and it will be forwarded to the general secretary of the respective hostels and action will be taken accordingly.

Plan of action: A form will be given through outlook and the students will fill it. This filled form will be taken in good consideration and sent to respective hostels' general secretary.

**Experiences (Credentials if any):**

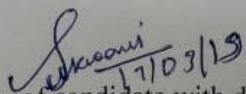

1. I was in the PR and Branding Team as an organizer of Techniche 2018.
- 2) I was the city representative in Bhopal for Technothon 2018.

Extra sheets may be attached if needed.

**Declaration by the candidate:**

I hereby declare that the above information is to the best of my knowledge. I do not have any disciplinary probation by the Institute and will abide by the rules and regulations laid for Gymkhana Election. I do not have any active backlogs to be cleared.

I know that any false information in this nomination form will lead to cancellation of my nomination and disciplinary action.
