Agendas and Declaration Form

Post contesting for: General Secretary, Student Alumni Interaction Linkage (SAIL)

Name: Mayank Singla

Nick Name.:

Tagline (Punch line):

Agendas:

1. Launching Phonathon – Call your Alumni

Domain: Student Alumni Interaction

Proposal: A multi-day event where the students can contact the alumni via phone call and ask questions.

Possible Solution: We would organize an event where the students can call any alumni from the database provided according to his/her questions and get them answered.

Plan of Action: We would be mailing the alumni regarding the event and upon agreement, ask them to expect phone calls during the event. The students would be encouraged to talk to alumni of their choice within the time frame provided.

2. Know your Alumni Series

Domain: Students' Welfare

Proposal: A series of videos, podcasts or blogs which would acquaint the campus students with stories from lives of our distinguished alumni.

Possible Solution: There are a lot of alumni who are doing very well in their careers and

life. The SAIL team would contact such alumni provide the campus with an opportunity to know about their alumnus' life and choices he/she made.

Plan of Action: All the SAIL team is involved in searching the best possible alumni for the benefits of campus. We would form a dedicated team responsible for contacting the alumni, brainstorming on the questionnaires, making the video, podcast or blog and publishing them regularly.

3. Increase in PG students' participation

Domain: IITG Alumni

Proposal: Conscious efforts to increase the PG participation in SAIL activities.

Possible Solution: More awareness among the PG students about SAIL and its activities will be spread through their active participation.

Plan of Action: We will expand our database further by gathering information about PG graduates of IIT Guwahati. A coordinator position for PG students' representation will be offered. Various ongoing activities like AMP, blogs, Alumni Talks, etc. would be extended to the PG community as well.

4. Academic Research Internship

Domain: Students' welfare

Proposal: Efforts to provide academic research internship opportunities to IITG students.

Possible Solution: The alumni who are working in various fields in various institutions in and outside India can provide academic research internship to meritorious students of IITG under them or as per their suitability.

Plan of Action: SAIL team members will contact the alumni who are now faculty at various institutions both in and outside India. A proposal to seek internship opportunities would be sent. Upon confirmation, the team would provide the opportunity to students. The internship opportunities would be subject to alumni interest and merit of students.

5. Query Portal

Domain: Student's Welfare

Proposal: Opening up of a query portal for students for taking advice from alumni.

Possible Solution: A tab on the SAIL page for students where they can post their queries and certain alumni from various domains will be invited to be a 'Guider' on the page and answer the student's queries.

Plan of Action: We will have a google form asking their query, taking input as roll number, webmail id, phone number, email id, domain of query and the query itself. The query will be checked by designated SAIL team members (2 Members). If genuine, they will post the query on the page and an email notification will be sent to the domain related alumni asking them to respond to the given query on the page itself.

6. Internship and Placement mentorship Program

Domain: Students' welfare

Proposal: A program where the recently graduated batches can help the pre-final final year students during their internships and placements season.

Possible Solution: The graduating batch, being experienced in internship season and having done the internship too can guide the pre-final year students with their doubts while the batch before them, being experienced in placement interviews and having spent an year in the corporate or higher studies, can help the final year students with their doubts.

Plan of Action: Google docs and mails would be sent to the alumni seeking their consent and various details that would be used for matchmaking. Details would be taken from the students regarding their interests, preferred companies, etc. The mentors would be then provided to the mentees for a limited period of time during the internship/placement season.

7. 25th Anniversary IIT G Celebration

Domain: IIT G Alumni Meet

Proposal: On the occasion of 25th anniversary of IIT Guwahati, we plan to invite all the Alumni of IITG to campus, and hold first ever Silver Jubilee Alumni Meet.

Problem Solution: Dedicated page link through SAIL page to the AER site that would help in registration and payments. We plan to reach out to as many alumni as possible.

Plan of Action:

- a) Dedicated page link through SAIL page to the AER site that would help in registration and payments.
- b) A dedicated team will be involved in booking of hotels in city, if the guest house is not sufficient for the accommodation of alumni.
- c) Events and get together meets will be scheduled throughout the day.
- d) If required, mails would be sent through our database to notify the alumni about the event. Meet and Greet among students would be organised.
- e) We will be working in coordination with AER office to make it a success and joyous event for our esteemed alumni.
- f) We strive to make it an yearly event where the batch completing 25 years would be invited for Alumni Meet.

8. AlumX Series

Domain: Lecture Series

Proposal: Conduct a finite series of talks by our most coveted alumni.

Possible Solution: For each domain, we plan to bring one of the most coveted alumni to the campus or through webinar in the conference hall/auditorium, who can give talk to students on how to perform well in their respective fields.

Plan of Actions:

- a) All of the SAIL team is involved in searching the best possible alumni to be invited for a talk in their respective domains.
- b) We would make a dedicated team of SAIL members and enthusiastic alumni who would be responsible for regular webinars and talks on various career topics and general advice.
