Agendas:

1. Agenda Heading: Gym Trainer for Girls

Domain: Sports Board

Proposal: Girls often do not go to gym due to lack of knowledge of general fitness involved in exercise prescription and instruction. Hence even girls who are really interested are not able to take benefit from the existing gym facilities.

Possible Solution: Hiring an eligible girl's trainer so that girls can benefit from the gym facilities provided by the institute.

Plan of Action: Proposal will be sent through general secretary sports board and the trainers will be evaluated on the basis of monthly feedback taken from the girls.

2. Agenda Heading: Increase in availability of books in library.

Domain: SAB and Library.

Proposal: Students especially first yearites often face the shortage of academic books in library. It is very uncomfortable to share books and study specially during exam time.

Possible Solution: Taking a list of academic books recommended by professors well in advance in accordance with the change(if any) in the course structure and making them available in the library.

Plan of Action: Coordinating with the academic representative of all departments before the beginning of the semester and making the required books available in sufficient number in the library.

3. Agenda Heading: Swimming pool timings.

Domain: Sports Board.

Proposal: Girls often face difficulty coordinating to the current swimming pool timings and hence girls who are interested in aquatics do not participate due to lack of practice because of the unsuitable timings.

Possible solution: Changing the swimming pool timings for girls after 6pm (current 4pm to 6pm) and before 8am creating different time slots for weekdays and weekends.

Plan of Action: Coordinating with aquatic secretary and sports board for the above mentioned.

4. Agenda Heading: Tea and coffee Vending Machine in common areas.

Domain: Welfare Board.

Proposal: Every food outlet in academic area is closed after 11pm and the students studying in library or working in labs face a difficulty in finding fresh tea or coffee which are the basic necessities for staying active.

Possible Solution: Availability of vending machines will allow fresh tea/coffee without any delay (tea/coffee outlets have break time) during any time of the day ensuring ease and access at all hours.

Plan of Action: Making a vending machine available in library and cores taking feedback of its maintenance cost and accordingly making it available at other common places in future.

5. Agenda Heading: Technical workshops targeting female participation.

Domain: Technical Board

Proposal: There is very low participation of girls in technical events because of lack of knowledge and proper mentoring. Hence even girls who are really interested are not able to participate in technical events including Kriti.

Possible Solution: Awareness and motivation about Technical clubs with the help of technical board.

Workshops for the same should be conducted especially for girls. And proper allocation of mentors for girls to motivate and guide them.

Plan of Action: Formation of a timeline for various technical workshops in collaboration with various clubs under technical board.

6. Agenda Heading: Mentorship For Internships and Placements

Domain: Welfare

Proposal: The demand for girls in Software companies is increasing but due to lack of guidance and knowledge they are not able to utilise those opportunities .

Possible Solution :A Female Mentor can be allotted to a group of 4-5 girls during first year summer vacations and winter vacations to guide them towards learning skills required in industry .

Plan of Action :Female Mentors would be allotted to First year and second year girl students who would guide them and provide inform them about the future opportunities .
