Agendas and Declaration Form

Post contesting for: PG Senator

Name: Mansi Saini

Nick Name.: Mansi

Tagline (Punch line): Never look back, just move ahead.

Agendas:

1. Improvement in the medical facilities-

Domain- Medical Issues.

Proposal- As there are not enough specialized doctors in the campus hospital and students are being referred to GNRC on regular basis, which wastes a lot of time of the students because of long queues at the hospital there and unavailability of ambulance.

Possible Solution- Every week or every 15 days, a particular day should be fixed to avail the services of specialized doctors at IIT only.

Plan of Action- Doctors of GNRC having speciality in their respective fields will be requested to provide their services in IIT once in a while as and when possible.

2. Keep Check on the Stray Animals in the campus-

Domain- Safety

Proposal- There should be a check on the stray animals in the hostels as well as the in the campus. Animals can be seen roaming around in the hostel canteen, rooms, classrooms, corridors. Many cases have occurred where monkeys, cats and dogs even entered the rooms of the students.

Possible Solution- Security guards should keep a check on the same at regular intervals. And, those who are found petting the animals in the campus should be fined for the same.

Plan of Action- A regular inspection to be done in their respective areas by the guards.

3. Keep check of the noise in the library-

Domain- Library

Proposal- People can be seen discussing and chit chatting in the library even after noticing that others are getting disturbed. There is no one to whom students can complain.

Possible solution- There should be a library official who keeps a check on such activities and to whom students can complain if they themselves are unable to solve the issue.

Plan of Action- There should be a separate space/discussion room available to the students so that it can be used without taking permission of officials.

4. **Extension in the timings of library canteen-**

Domain- Extension in timings

Proposal- The timings of the library canteen should be extended, since many students study in the library till late in the night and there is no availability of any eatables at night.

Possible Solution- If the person to whom the tender is currently given is unable to provide the services for the whole day, there can be a separate service provider who can provide such services in the night shift.

Plan of Action- As for now, a temporary coffee machine providing self service can be installed there.
