Agendas:

1. **Assigning a professor of respective department for mentoring students**

2. **Guidance for off campus internships and placements through an online portal:**

3. **To introduce new food outlets inside the campus**

4. **Availability of recommended academic books in library for all students**

5. **Spectacles repair facility inside the campus**

Extra sheets may be attached if needed.

Guidance for off campus internships and placements through an online portal:

Domain: Web technology

Proposal: To open a portal, to provide guidance for off campus opportunities with details of application.

Plan of action: Students from 1st and 2nd year show an interest in securing off campus internships. And placements for 4th years sh or may want to explore more. Data regarding the same can be collected from the seniors who have availed off campus internships and placements and displayed in the portal. The portal can be updated monthly

Assigning a professor of respective department for mentoring students

Domain: Academics

Proposal: To assign a professor for each student from his\her own department.

Plan of action: Each student is assigned one professor. Students can interact with professors for knowing more about academics and future opportunities in various fields of the department. This would build the confidence and enthusiasm in students.

To introduce additional food outlets inside campus

Domain: Food

Proposal: Introduction of new food outlets in form of food trucks

Plan of action: Additional food stalls can be implemented easily via food trucks. Also since the timings for these food trucks can be flexible till late hours, this will serve the need for students working in late hours.

Spectacles repair facility on campus:

Domain: Health care

Proposal: To introduce spectacles repair facility for students inside the campus.

Plan of Action: It is quite difficult for students to manage damaged spectacles and it needs an immediate remedy. So to make it convenient, we can add this facility either in hospital or market complex as per the convenience.

Availability of recommended academic books in library for all students:

Domain: Academics

Proposal: To make sufficient number of copies of academic books available in the library.

Plan of Action: Number of students and the available recommended textbooks will be enquired prior to the beginning of the semester

Sanitary pad incinerators in Girls Hostels and Academic complex:

Domain: Health and Hygiene

Proposal: To install incinerators in the washrooms of the Academic Complex and Girls Hostels as per the requirement.

Plan of action: Since disposal of sanitary pads is not environment friendly and unhygienic incinerators have to be installed in the girls washrooms of the Academic Complex and Girls Hostels.

Experiences (Credentials if any):

Technical Secretary, Subansiri Hostel (2018-2019)

Organizer of Technothlon 2018

City Representative of Technothlon 2018 in Kurnool.

Extra sheets may be attached if needed.
