STUDENTS' GYMKHANA ELECTIONS
Year 2019-20

Indian Institute of Technology, Guwahati

__Agendas and Declaration Form__

Post contesting for: **UG Senator**

Name: **Manish Anand**

Nick Name.: **Manish**

Tagline (Punch line): **"To perfectness."**

Agendas:

I, **Manish Anand** , a second year undergraduate, if elected as a UG Senator for the session 2019-20 of IITG Student's Gymkhana , will work as much as possible for the betterment of the IITG community, with prime importance giving to solve the genuine problems of the campus residents.

My agenda are as follows :-

- ➤ **Renovation of street lights** :- As we all are aware that many of street lights aren't working especially in the route connecting swimming pool to Biotech park via kameng hostel, and Dhanshri hostel to IITG Hospital. If I got the opportunity, I'll make sure that each and every street lights are working properly by <u>ensuring regular checkups.</u>

- ➤ **GPS tracking for IITG Buses:** I will consult with the concerened authority to launch an app for <u>live tracking of IITG buses,</u> which will be helpful in boarding the buses in the intermediate bus stops between city and campus ,and reduce the waiting time for that.

- ➤ **Establishment of Vetenary Medical Section in IITG Hospital**: Make separate vetenary department in IITG hospital because we all know there are many stray dogs in our campus, they need to be vaccinated peoperly, what if any of the infected dog bites anyone, it should be addressed. And it will also be boon for those college residents having pets at their room.

- ➤ **Scheduled Bus Service**: I will make the bus service more consistent as we all are familiar that buses are not coming on time especially just after any vacation during morning hours. I'll make sure to take some strict measures to get rid of this problem & also, I will try to increase number of buses during peak time.

- ➤ **Introduction of online payment in e-Rickshaw**: Since the residents in the campus prefer online payment methods and are also reluctant to buy the coupons. So, online payment may be a better option.

- ➤ **Improvement in IITG Wifi Condition**: Increasing the number of IITG wifi routers in the campus. So, that we can remain connected to this digital world doesn't matter where are you in the campus.

- ➤ **Rectifying bad conditions of the roads** especially road connecting between Kameng & Barak hostel.

Experiences (Credentials if any):

1) **Organizing and Founding Team member of *chatth pooja committee*:** Organised the first and second chatth pooja in the campus and was able to attain huge participation during the kharna, and aragh pooja.
